

The easy way to pay your suppliers and employees

"Now I'm looking professional, paying my valued suppliers, giving them their remittance advice, and updating my own records - all in one hit!" – **Tanya Bandow**, Tango Whitsundays, Queensland

How much time do you spend writing and posting cheques and faxing or posting remittance advices? And how much time does it take to prepare your employees' pays.

With MYOB M-Powered® Payments, you can pay your suppliers and send them detailed remittance advices in one easy process. And you can even pay your staff too.

At a glance

- Pay suppliers and employees electronically from your MYOB software.
- Create, view, authorise, transmit and monitor the progress of your electronic payments.
- Future date electronic payments for up to 45 days.
- Automatically send remittance advice with your payment to your suppliers by email or fax.

Benefits for you

M-Powered Payments is the fast and easy way to electronically pay your suppliers and employees, using the data you've already entered into your MYOB accounting software.

The M-Powered Payments service enables you to:

- Avoid double-handling of transactions.
- Save time and effort
- Have full control over the electronic payment process.
- No file export or import.

Works with your MYOB software

The M-Powered Payments service is fully integrated into the following MYOB software:

- MYOB Accounting
- MYOB Accounting Plus
- MYOB Premier
- MYOB Premier Enterprise
- PowerPay v8
- MYOB EXO Business

All you need to do is apply for the service.

Which bank do I need to have an account with in order to use M-Powered Payments?

M-Powered Payments is currently available for Commonwealth Bank of Australia, Westpac and ANZ customers – to register your interest in having this service work with another preferred bank, visit www.myob.com.au/m-powered/.
