

MYOB EXO Payroll

A powerful and simple payroll solution for businesses of all sizes – across any industry.

Using the right payroll system can save your business time and money.

MYOB is making business life easier with a comprehensive range of payroll products and services designed to streamline your operations.

Key Features

- MYOB EXO Payroll makes maintaining and processing payroll faster and easier. Regular updates ensure legislation conformity.
- The software includes numerous features to simplify payroll processes:
- Simple processing using our unique Step-by-Step Cycle for Payroll
- Unlimited, flexible processing and reporting for allowances
- Deductions, cost centres, department, employee note types and General ledger codes
- Customised security through individual user/password combinations, so you can allow or deny access to any part of the system.

Key Benefits

- A flexible solution to suit your company's needs now and in the future
- Simple step-by-step processing
- Produces detailed and summary reports
- Integrates with other MYOB applications such as EXO Employee Information, EXO Time and Attendance and EXO Remote Timesheets.

Flexibility

- Unlimited, flexible processing and reporting of allowances, deductions, cost centres, departments, employee note types, General Ledger codes
- Multi-level Cost Centre analysis with unlimited costing per employee
- General ledger exporting to most accounting systems
- Employees can be set up with multiple wage hourly rates
- One-off pays (adjustment pays) for commissions, terminations, ad-hoc pays that do not always fit with the normal pay period
- Integrates with all banking systems
- Prioritise deductions or direct credits to handle levies or claims on employees' wages
- Powerful reminder functionality for employee notes, diary notes, birthdays, reviews and more
- Ability to have multiple payroll companies – multiple payroll users
- Maintain a central repository for all of your employee services information

EXO Employer Services factsheet

System Requirements

Minimum system requirements for PCs running MYOB EXO Employer Services components are detailed below. The performance of the MYOB EXO Employer Services system is not assured if these requirements are not met. Similarly, performance cannot be assured if the EXO Employer Services system is installed on a PC that is already under load from other processes.

Workstation Requirements

Any PC running the MYOB EXO Employer Services application modules should meet the following minimum requirements:

- Windows 2000 Service Pack 3 or later, Windows XP, Windows Server 2003, Windows Vista
- Intel Pentium® 800MHz processor (or equivalent)
- 512MB RAM
- Minimum 1GB hard disk space available
- CD-ROM Drive
- 16-bit colour, 1024x768 screen resolution

Other Requirements

Certain features of MYOB EXO Employer Services require one or more of the following:

- Internet access
- TCP/IP networking
- Serial port (required for some features in EXO Time and Attendance)
- Microsoft Internet Explorer 6.0 or later
- Adobe® Acrobat Reader
